COLOUR PHOTO SUPPLEMENT

This supplement is a summary of the colour photos taken by Gil Harrington at different functions during our Reunion. A brief word description follows for each one. They are really good photos and if you would like copies they may be obtained direct from Gil by quoting the code number in the left hand column. Gil asks payment at the rate of \$1.00 for each print, plus postage to you. For postage, include 80 cents for quantities up to 9 prints, or \$1.00 for quantities of 10 or more. For example, 7 prints would cost you \$7.80; and 12 prints would cost you \$13.00. Payment can be made by sending Gil a number 45 cent stamps for small quantities of prints, or cheque for larger quantities. Regrettably Diners Club, Promissory Notes and IOU's are not acceptable, but Gil is negotiable on Yaffle Buns as barter currency.
